***You're Invited to Join our Parents as Teachers Program!***

**What is the Parents as Teachers Program?**

Parents as Teachers (or PAT) is a national award-winning early childhood parent program that supports parents in their role as their child's first and best teacher.

**Why Should I Participate in PAT?**

Parents as Teachers is a program available to families with children ages birth to five. By enrolling in the PAT program, you will receive information on child development and parenting tips and suggestions, while enhancing your child's learning!

**The PAT Program Offers You:**

- Personal home visits by a parent educator to discuss your parenting challenges (discipline, toilet learning, etc.), child development, and ways to enhance your child's learning.
- Playgroups for you to meet other families in your community with young children.
- Periodic developmental screenings.
- Resource network to confidentially access other services through the Family Resource Center.
